

2018 Rochester Garden Club Geranium *Plus!* Sale

Join us as we celebrate our 53rd year of blooms! Our Annual Sale allows us to fund community beautification and education projects in the Rochester and surrounding areas. Our most recent project, marking our 100th Anniversary, was underwriting the new hard-scape which now defines the famous Pansy Bed in Highland Park. Some of our projects include Greentopia, the Discovery Garden at The Strong Museum, The Eastman Museum, Ronald McDonald House and St. Joseph's Villa. Your purchases make these possible and the entire community benefits from them. Thank you!
