2021 Rochester Garden Club Geranium ^ Sale

Customer Information

Join us as we celebrate our 56th year of blooms! 100% of the proceeds from our annual sale funds community beautification and education projects in the Rochester and surrounding areas. We are especially proud of our 100th Anniversary project, the underwriting of the new hardscape which now defines the iconic Pansy Bed in Highland Park. Some of our other projects include funding for the Alzheimers Garden at Monroe Community Hospital, Blocks in Bloom, the Discovery Garden at The Strong Museum, George Eastman Museum, Green Visions/Greentopia, RIT Institute for Sustainability and Ronald McDonald House. *Thank you for making it possible* for Rochester Garden Club to contribute to these worthwhile organizations from which our entire community benefits!
